

BLET VIDEO LIST

(January 1, 2017)

The following videos are listed by topic and are required to be shown in accordance with the BLET curriculum. Videos produced by the North Carolina Justice Academy were re-labeled by BLET topic and re-distributed in DVD format to all accredited BLET schools in February 2008; therefore some DVD cases and labels may reflect this distribution date, even though the content did not change. Subsequent versions or productions reflect the date of their production. School directors should check every six months to ensure their collection coincides with this list.

Videos produced by the North Carolina Justice Academy may be purchased through the:

North Carolina Justice Academy Bookstore

910-525-4151

or

910-525-4158 (ext. 310)

Other questions may be directed to:

Jennifer Fisher, BLET Curriculum Coordinator

910-525-4158 (ext. 236)

For technical assistance, contact:

Valerie Coffey, Video Services Supervisor

910-525-4158 (ext. 301)

Anti-Terrorism

#433-DVD - Anti-Terrorism (Revised July 2013) - **Price: \$25.00**

North Carolina Justice Academy, PO Box 99, Salemburg, NC 28385

Includes video, Sovereign Citizens and Law Enforcement, Understanding the Threat, provided by the Southern Poverty Law Center.

This video provides an overview of the goals domestic and international terrorists pursue, their strategies in trying to achieve these goals, and the roles of law enforcement officers in thwarting terrorism. It also illustrates the dangers associated with those of the “Sovereign Citizen” movement – men and women who believe they are exempt from most laws, regulations, and tax codes. (19 minutes)

Civil Process

#930-DVD - Civil Process (January 2016) - **Price: \$25.00**

North Carolina Justice Academy, PO Box 99, Salemburg, NC 28385

This video gives an overview of various aspects of civil process. Included in the video, several types of summons are illustrated. Additionally, summary ejectments, domestic violence protective orders, and serving writs of possession are discussed to better enable the student to understand the serving civil processes within their role as a law enforcement officer. (19:23 minutes)

Communication Skills for Law Enforcement Officers

#932-DVD - Communication Skills for Law Enforcement Officers (Re-issued January 1, 2008) - **Price: \$25.00**

North Carolina Justice Academy, PO Box 99, Salemburg, NC 28385

Research indicates that between 50-90% of all communication is non-verbal. Using scenarios, this video describes officer body language and non-verbal cues related to communication efforts. (27 minutes)

Controlled Substances

#931 – DVD – Controlled Substances (Re-issued January 1, 2008) – **Price: \$25.00**

North Carolina Justice Academy, PO Box 99, Salemburg, NC 28385

Officers must know what to look for when investigating drug related crimes. Pictures and descriptions of controlled substance are depicted in this video. Related paraphernalia, field testing, and handling procedures are also discussed. (27 minutes)

Crowd Management

St. Petersburg Riots/Crowd Control (1996) - Price: \$110.00

In the Line of Duty, 10786 Indian Head Industrial Blvd., St. Louis, MO 63132

Contact: Arrika Rayburn, 1-800-462-5232 FAX: 314-429-4137

This video looks at the damage and potential for death and injury during a civil disturbance. St. Petersburg, Florida, police provide detailed analysis of tactics, strategy, and response in this training documentary after a white officer shot an African-American motorist. This dramatic and in-depth report includes interviews with commanding officers and discussion on critical incident management, proper equipment, training, and communications. It also includes never-before-seen video of the rioting and officer response. (31 minutes)

Domestic Violence Response

#935 –DVD - Domestic Violence Response (July 1, 2015) – Price: \$25.00

North Carolina Justice Academy, PO Box 99, Salemburg, NC 28385

The videos will familiarize the students with what types of information to obtain from telecommunicators, the proper methods of a tactical approach, understanding the dynamics of domestic violence as to why victims may choose to stay in abusive relationships, officer-involved domestic violence, and the impact domestic violence has on children. (41:09 minutes)

Elements of Criminal Law

#936-DVD - Elements of Criminal Law (Re-issued January 1, 2008) - Price: \$25.00

North Carolina Justice Academy, PO Box 99, Salemburg, NC 28385

While on duty, officers are confronted with a variety of civil complaints. This video provides scenarios involving rental arrangements, auto repairs, restaurant matters and other non-criminal incidents. (3.5 minutes)

Ethics for Professional Law Enforcement

#937-DVD - Ethics for Professional Law Enforcement (Re-issued January 1, 2008) - Price: \$25.00

North Carolina Justice Academy, PO Box 99, Salemburg, NC 28385

Public concern for unethical police conduct is widespread. Officers must exercise great care

when making decisions. Using hypothetical situations, students view five scenarios and discuss each with the instructor. (23 minutes)

Explosives and Hazardous Materials Emergencies

Fire Extinguishers: The First Responder (1984) - Price: \$59.99

The Phoenix Learning Group, 2349 Chaffe Drive, St. Louis, MO 63146

Contact: Chuck Miller, 800-221-1274 Order Code: #33813 www.phoenixlearninggroup.com

This program classifies fire types and emergency response procedures using extinguishers. Dramatic on-the-job fire situations emphasize knowing where to locate extinguishers, calling the fire department, making the correct choice of extinguishers for a particular type of fire and knowing when a fire is out of control. This program is highlighted by a “hands-on” demonstration of employees using extinguishers to combat a fire. (12 minutes)

Field Notetaking and Report Writing

Report Writing (1987) - Price: \$34.95

The Phoenix Learning Group, 2349 Chaffe Drive, St. Louis, MO 63146

Contact: Chuck Miller, 800-221-1274 Order Code #33812 www.phoenixlearninggroup.com

Report Writing is not about basic writing skills, although some style techniques are discussed. It assumes that the viewer’s grammar is sound. The emphasis is on the importance of reporting and how to do it professionally. Practices are shown which assist in the consistent writing of clear, accurate and complete police reports, regardless of whether officers are bored stiff or flying high on adrenalin. RESTRICTED TO LAW ENFORCEMENT ONLY. (21 minutes)

Report Writing Video Series (1990) 8 modules - Price: \$399.00 plus \$11.00 s/h

LERC, 1523 Nicollet Avenue, Minneapolis, MN 55403

Contact: Ann Breckenridge, 800-279-8284

Few police officers enter law enforcement to be writers. Yet, an officer’s total effort when responding to a call is summarized on a few sheets of paper—the police report. Instructor guide included. (80 minutes; 2 DVDs)

First Responder

#101234 - DVD – First Responder (Revised July 2016) - Price: \$25.00

North Carolina Justice Academy, PO Box 99, Salemburg, NC 28385

The first video in the series will present law enforcement officers with valuable information on medical emergencies related to seizures. The next two videos are intended to present how

to control major bleeding by properly applying a tourniquet using a one-handed application method and a two-handed application method given the circumstances. The last video in the series demonstrates the proper way to drag an individual along the long axis of the body using two rescuers if it is imperative to move an injured individual. (14:58 minutes)

Human Trafficking

#1065 - DVD - Human Trafficking (2011) - Price: \$25.00

North Carolina Justice Academy, PO Box 99, Salemburg, NC 28385

Modern day slavery is occurring in every jurisdiction, both rural and urban. It is the officer's responsibility to look beneath the surface and ask additional questions to identify potential victims of human trafficking. These two videos will assist the officer in defining human trafficking and identifying the indicators present. (19 minutes)

In-Custody Transportation

High Risk Transport (1991) - Price: \$69.00

Lock-up USA, PO Box 192, Wallingford, PA 19086

Contact: 800-626-9236

This program shows corrections personnel the extensive precautions necessary to effect the movement of a high-risk inmate outside the secure facility. The program details the preparations that must be taken by the transporting officers and looks at some of the things that could go wrong, and how those situations should be handled by the officers. (32 minutes)

Individuals with Mental Illness or Developmental Disabilities

#939-DVD – Individuals with Mental Illness or Developmental Disabilities

(Title revised January 1, 2014) – **Price: \$25.00**

North Carolina Justice Academy, PO Box 99, Salemburg, NC 28385

Contact with the mentally ill can be demanding for officers. Violent and combative conduct is not uncommon for people with mental illness (i.e., schizophrenia, depression, etc.). For safety and investigative reasons, officers must be familiar with behaviors associated with mental illness and developmental disabilities. Interview scenarios and hypothetical situations are used to illustrate a variety of behaviors. (56:58 minutes)

Interviews: Field and In-Custody

#940-DVD - Interviews: Field and In-Custody (January 2016) - **Price: \$25.00**

North Carolina Justice Academy, PO Box 99, Salemburg, NC 28385

Interviewing subjects takes time, patience and skill. Officers must learn how to ask appropriate and relevant questions in proper sequence before documenting the interview. (26:10 minutes)

Law Enforcement Driving Training

#941-DVD – Law Enforcement Driver Training (Revised July 2010) - **Price: \$25.00**

North Carolina Justice Academy, PO Box 99, Salemburg, NC 28385

The Michelle Norton Story is the compelling narrative of a mother whose two sons were killed in the course of a law enforcement officer's emergency response. It was produced by NHTSA and ALERT and is intended for use in a roll call or in-service situation and will serve to reinforce the critical nature of emergency driving and will re-emphasize officers' responsibility in the safe and prudent operation of their vehicles. (20 minutes)

Off-road recovery skills are important to law enforcement officers. This segment dramatically delivers the impact of off-road crashes and then demonstrates skills that can be used in such situations. (10 minutes)

A.L.E.R.T. International, in conjunction with Michelin North America, has produced a training tape for law enforcement driver trainers. Subjects covered are high Speed Tire Blow Out, Positioning of New Tires on Vehicle in Relation to Wet Weather Handling, Proper Tire Inflation and the Effect It Has on Vehicle Control. (24 minutes)

NOTE: If you are interested in the "Michelin Tire Safety Police Training Video" on VHS, please check out their website: www.alertinternational.com

Law Enforcement Radio Procedures and Information Systems

DVD - Terrorist Screening Center (May 2009) – Price: No charge

TV Studio, FBI Academy, Quantico, VA

This video is being provided free of charge by the FBI Academy. To receive a copy of this video, contact Jennifer Fisher at the North Carolina Justice Academy, PO Box 99, Salemburg, NC 28385 or by calling 910-525-4151.

Motor Vehicle Law

#942 – DVD – Motor Vehicle Law (Revised July 2016) - Price: \$25.00

North Carolina Justice Academy, PO Box 99, Salemburg, NC 28385

This video will assist the student in familiarizing themselves with the terms and definitions associated with motor vehicle laws. Information to better orient the student to the various aspects of motor vehicle equipment laws, inspection laws, registration laws, and classes of motor vehicle laws is also covered in this video. It is important to understand the similarities and differences when interacting with motorcycle and moped drivers to ensure that you take the correct enforcement action. Lastly, this video will help emphasize the rules of the road and the importance of enforcing DWI laws. (40 minutes)

Patrol Techniques

#943-DVD - Patrol Techniques (Revised July 1, 2011) - Price: \$25.00

North Carolina Justice Academy, PO Box 99, Salemburg, NC 28385

There is a number of patrol methods used for modern day law enforcement. Officers monitor communities on bicycles, foot, horse, boat, car, and even helicopter. Crime scenarios are used to enhance student observation and perception skills. Foot chases, suspicious person stops, building searches, K-9 use and high risk call responses are also shown to increase officer awareness. (39 minutes)

#778-DVD - Raid Planning & Execution (Re-issued January 1, 2008) - Price: \$25.00

North Carolina Justice Academy, PO Box 99, Salemburg, NC 28385

This video illustrates the proper planning and execution of a “drug related” search warrant. Officers are shown the initial planning, execution, and debriefing associated with conducting a raid. (14 minutes)

Physical Fitness Training

#944-DVD – Physical Fitness Training (Revised July 1, 2015) – **Price: \$25.00**

North Carolina Justice Academy, PO Box 99, Salemburg, NC 28385

- **Physical Fitness for BLET**

Regular exercise and strength training is critical for law enforcement officers. Demonstrations on how to stretch, exercise, and weight train properly have been recorded. (20 minutes)

- **Police Officer Physical Abilities Test**

Illustrates proper set-up and administration procedures for the Police Officer Physical Abilities Test (POPAT). Officers are shown navigating course elements and how the events correlate with actual job tasks. (17 minutes)

- **BLET Physical Assessment**

Preparing for Court and Testifying in Court

#947-DVD – Preparing for and Testifying in Court (Re-issued January 1, 2008)

- Price: \$25.00

North Carolina Justice Academy, PO Box 99, Salemburg, NC 28385

The successful completion of any criminal investigation is realized with a guilty conviction in court. An officer's testimony can be crucial to any verdict. Proper officer preparation, testimony and behavior enhance credibility on the witness stand. This three-part video demonstrates how officers should testify. (87 minutes) NC Judicial System, prepared by the NC Administrative Office of the Court, follows a court case through the step-by-step judicial process all the way to the NC Supreme Court. (22 minutes)

Rapid Deployment

#885-DVD - Rapid Deployment: Immediate Response to the Active Shooter

(Revised July 1, 2015) - **Price: \$25.00**

North Carolina Justice Academy, PO Box 99, Salemburg, NC 28385

This video follows step by step as a group of law enforcement officers arrive at a school during an active shooter incident. Topics include aspects of the contact team, rescue team, and inner perimeter, as well as the active shooter mindset and triage for multiple wounded. (28 minutes)

Responding to Victims and the Public

#934-DVD – Responding to Victims and the Public (Revised January 1, 2017) -

Price: \$25.00

North Carolina Justice Academy, PO Box 99, Salemburg, NC 28385

Officers must be able to effectively communicate and relate to all types of crime victims. This video series outlines how to deal with specific victims including: the visually and hearing impaired; victims of sexual assault; mobility impaired persons; and hate crime victims.

Includes video, Autism Awareness for Law Enforcement and Community Service Personnel, provided by the Autism Society of North Carolina.

Sheriff's Responsibilities: Court Duties

Courtroom Security (1992) - **Price: \$69.00**

Lock-up USA, PO Box 192, Wallingford, PA 19086

Contact: 800-626-9236

The purpose of this video is to make transport officers more aware of the need for increased courtroom security and to give them the information needed to carry out this task. The courthouse is not the safe haven it used to be and as society grows more violent, we're seeking an increase in the number of incidents at courthouses. (25 minutes)

Subject Control/Arrest Techniques

#948-DVD- Subject Control/Arrest Techniques (Revised January 2016) –

Price: \$25.00

North Carolina Justice Academy, PO Box 99, Salemburg, NC 28385

Live demonstrations of more than 30 self-defense and officer safety maneuvers are included. Step-by-step instructions on how to properly execute hand strikes, kicks, handcuffing and pressure point subject control methods. (38:48 minutes)

Techniques of Traffic Law Enforcement

#949-DVD – Techniques of Traffic Law Enforcement (Revised July 1, 2011) -

Price: \$25.00

North Carolina Justice Academy, PO Box 99, Salemburg, NC 28385

This video demonstrates proper techniques for traffic directing, conducting vehicle stops and investigating DWI crimes. (28 minutes)

Traffic Crash Investigation

#950-DVD - Traffic Crash Investigation Series (Re-issued January 1, 2008) -

Price: \$25.00

North Carolina Justice Academy, PO Box 99, Salemburg, NC 28385

Determining exact cause(s) for traffic crashes is not always easy. This video teaches officers arriving on the scene how to survey the damage for possible clues, determine impact locations, and how to diagram measurements. (25 minutes)
